July 1, 2008

**NOTICE TO ALL UNION COUNTY MUNICIPALITIES, AND ALL
SOLID WASTE COLLECTORS (HAULERS), MATERIALS RECOVERY
FACILITIES AND OTHER SOLID WASTE GENERATORS WITHIN
AND OUTSIDE OF UNION COUNTY REGARDING ALL NON-
CONTRACT SOLID WASTE TYPES 10 AND 25 GENERATED IN
THE COUNTY OF UNION:**

Pursuant to the New Jersey Department of Environmental Protection's (NJDEP) April 25, 2008 Certification of the November 8, 2007 Amendment to the Union County District Solid Waste Management Plan, all solid waste Type 10 (municipal including household, commercial and institutional) and Type 25 (animal and food processing waste), generated in the County of Union, and which are currently not under a voluntary disposal contract with the Union County Utilities Authority (UCUA) (referred to as Non-Contract Waste), is directed to the Union County Resource Recovery Facility (UCRRF), 1499 Route 1&9 N, Rahway, New Jersey.

Accordingly, effective July 21, 2008, all Non-Contract Waste generated within the County of Union collected by waste collectors, through contracts, or otherwise, from residential generators, governmental generators, commercial generators and/or industrial generators within the County, must be delivered to the above named Facility for disposal.

Please be advised that the tipping fee at the above Facility will be \$94.00 per ton for all Non-Contract Waste, beginning on July 21, 2008. The tipping fee reflects a publicly-bid contract award for solid waste disposal services. As a reminder, this tipping fee is in range of rates that were in place at the UCUA and throughout the State prior to 1997.

Very truly yours,

Sunil K. Garg, Ph.D., Esq.
Executive Director
