DESIGNATION OF ALTERNATE OFFICER

Section 1. Appointment. In the interest of ensuring the efficient operation of the Authority, the Chairperson, or the Vice Chairperson, in the Chairperson's absence, may appoint any member of the Authority to act as an alternate for any officer of the Authority in those instances where said officer is unable to perform his duties by virtue of incapacity, unavailability, or refusal to perform his ministerial acts.

Section 2. Powers. The Authority member appointed by the Chairperson as an alternate officer shall have the full authority to act in the place of any officer who is unable to perform his duties as set forth in Section 1 hereof. The term of service for such alternate officer shall be determined by the Chairperson when the appointment is made, and the Chairperson shall expressly set forth the terms and conditions upon which said alternate shall act.

ARTICLE VIII

INDEMNIFICATION AND DEFENSE OF EMPLOYEES

Section 1. Definition of "Employee." For the purpose of this Article, the term "employee" shall include a member of the Authority, and any employee, former employee, or servant, full-time or part-time, whether or not compensated, who is or was authorized by the Authority to perform any act or service; provided, however, that the term shall not include an independent contractor.

Section 2. Indemnification.

1) The Authority has the discretion to indemnify employees or former employees for acts performed within their authority as determined by the Authority. This Article authorizes the Authority to pay compensatory damages only. Nothing in this Article authorizes the Authority to pay for punitive or exemplary damages or damages arising from the commission of a crime pursuant to N.J.S.A 59:9-2.

2) If the employee or former employee establishes that he is entitled to be defended by the Authority under the provisions of this Article, the Authority shall pay or reimburse the employee or former employee for any bona fide settlement agreement entered into by the employee or former employee and shall pay or reimburse such employee or former employee for any judgment entered against him or her. The Authority shall pay or reimburse him for all reasonable costs of defending the action, including reasonable counsel fees and expenses, together with costs of appeal, if any. The Authority has the sole discretion to interpret the reasonableness of said fees and shall set the legal fees schedule by which it shall pay or reimburse the approved defense.

Section 3. Refusal to Defend or Indemnify.

The Authority may refuse to provide for the defense of an action referred to in this Article if it determines that:

- i) The act or omission was not within the scope of employment; or
- ii) The act or failure to act was the result of actual fraud, willful misconduct or actual malice; or
- iii) The defense of the action or proceeding by the Authority would create a conflict of interest between the Authority and the employee or former employee.

If the Authority refuses to provide for the defense of an employee or former employee, the employee or former employee shall be entitled to indemnification from the Authority if he establishes that the act or omission upon which the claim or judgment was based occurred within the scope of employment as an employee of the Authority.

Section 4. Employee's Duty to Notify and Cooperate with Authority.

An employee or former employee shall not be entitled to indemnification under this Article unless, within ten (10) calendar days of the time he is served with any summons, complaint, process, notice, demand or pleading, the employee or former employee delivers the original or a copy thereof to the Chairperson or the Executive Director. Upon such delivery, the Authority may assume exclusive control of the employee's or former employee's representation and such employee or former employee shall cooperate fully with the Authority's defense. Any employee or former employee who fails to cooperate fully with the Authority's defense shall lose the right to indemnification and defense as provided in this Article.

Section 5. Authority's Exclusive Control over Litigation. Whenever the Authority provides for the defense of an employee or former employee pursuant to this Article, the Authority may assume exclusive control over the representation of such employee or former employee, and such employee or former employee shall cooperate fully with the Authority's defense.
