## RESOLUTION OF THE UNION COUNTY UTILITIES AUTHORITY AUTHORIZING PAYMENT TO THE COUNTY OF UNION IN CONNECTION WITH THE 2012 INTERLOCAL SERVICES AGREEMENT BETWEEN THE AUTHORITY AND THE COUNTY OF UNION

**WHEREAS**, pursuant to the Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq. (the "Act"), each county within the State of New Jersey is designated a solid waste management district with responsibility for the development of a solid waste management plan setting forth the solid waste disposal strategy to be applied in the district; and

**WHEREAS**, in accordance with the Act, the County of Union ("County") has previously developed the Union County District Solid Waste Management Plan (the "County Plan") for the purpose of, among other things, managing the disposal and/or recycling of solid waste generated within the County and has designated the Union County Utilities Authority (the "Authority") as implementing agency for the County Plan; and

**WHEREAS**, the Authority owns the Union County Resource Recovery Facility, a 1540 tons per day waste-to-energy facility, located in the City of Rahway, New Jersey (the "UCRRF") which has been leased to and is operated by Reworld (formerly known as Ogden Martin Systems of Union, Inc. and Covanta Union, Inc.), as part of a restructuring undertaken by the Authority in 1998 following the decision in Atlantic Coast Demolition and Recycling, Inc. v. Board of Chosen Freeholders of Atlantic County et al., 112 F.3d 652 (3d Cir. 1997), cert. den., 522 U.S. 966 (1997), pursuant to the terms of a Facility Lease Agreement dated as of July 15, 1998 (the "Facility Lease") as amended and restated most recently in March 2016, and an Amended and Restated Waste Disposal Agreement dated as of February 15, 1998, as amended and restated most recently in March 2016 (together referred to as the "Waste Disposal Agreement"); and

**WHEREAS**, the Authority, the County and Reworld engaged in negotiations with Reworld to amend the Facility Lease and Waste Disposal Agreement to extend their respective terms in exchange for modifications of the provisions, among other things, for annual lease payments and sharing of revenues generated at the UCRRF, and upon successfully concluding the negotiations filed the amended agreements with, and received approval from, NJDEP and the Department of Community Affairs, Division of Local Government Services ("LGS"), pursuant to and in accordance with the McEnroe Act, N.J.S.A. 13:1E-136 et seq., for approval of the amendments; and

**WHEREAS**, the County has historically provided cooperation and assistance to municipalities within the County and to other public entities such as the Authority in order to maximize the economies and efficiencies of scale that may be achieved through such cooperation between and among public entities; and

**WHEREAS**, the County Health Department has been certified by order of the NJDEP as the County's lead agency under the County Environmental Health Act, N.J.S.A. 26:3A2-21 et seq. ("CEHA") and, as a Certified Health Agency, is authorized pursuant to CEHA, and N.J.S.A. 13:1E-9 to provide environmental health services, including, but not limited to, enforcement of the Act, N.J.S.A. 13:1E-1 et seq., pursuant to the Solid Waste Control Work Program component of the approved County Environmental Health Work Program; and

**WHEREAS**, the County has delegated to the Authority all such powers as are necessary to conduct certain inspections, investigative and enforcement responsibilities in order to enlist the Authority's considerable resources and expertise as the implementing agency for the County Plan, in fully and properly enforcing

compliance therewith, and in implementing the applicable provisions of the Solid Waste Control Work Program component as set forth within the approved overall CEHA Work Program; and

**WHEREAS**, notwithstanding the County's delegation of enforcement powers to the Authority, the County Police have from time-to-time carried out inspections, and/or investigations relating to enforcement of the Solid Waste Control Work Program component as set forth within the approved overall CEHA Work Program; and

**WHEREAS**, the Authority and the County are parties to a Limited Deficiency Agreement, as amended, pursuant to which the County has agreed to make certain payments to the extent that the Authority is unable to pay certain amounts due under the Waste Disposal Agreement, amended and restated, between the Authority and Reworld; and

**WHEREAS**, in its October 13, 2011 Order, NJDEP and LGS recognized and approved the Authority's plan to transmit certain funds annually to the County for use in providing relief to the citizens of the County; and

**WHEREAS**, having enjoyed a longstanding contractual relationship wherein they have pooled their resources to jointly provide the aforementioned services, on March 21, 2012 the County and the Authority entered into an interlocal services agreement (hereinafter "Agreement") memorializing the services being provided by the County in exchange for annual funding to be provided by the Authority to the County consistent with the Local Authorities Fiscal Control Law, N.J.S.A. 40A:5A-1 et seq. and the terms of the NJDEP Order of October 13, 2011; and

**WHEREAS**, in connection with the obligations arising out of the Agreement, the UCUA is hereby authorizing payment to the County in the sum of \$500,000 for purposes of budget/tax relief consistent with the provisions of the Local Authorities Fiscal Control Law and the terms of the NJDEP Order of October 13, 2011.

**NOW, THEREFORE, BE IT RESOLVED**, by the Union County Utilities Authority, as follows:

1. The aforesaid recitals are incorporated herein as though fully set forth at length.
2. The Authority's Comptroller is authorized and directed to promptly effectuate payment in the amount of \$500,000.00 to the County of Union in accordance with the terms of this Resolution.
3. This Resolution shall take effect immediately.
